

The Springfield Mile

If you have never experienced the excitement of Flat Track Motorcycle racing, you will have your chance Sunday May 30th. If you have seen Flat Track Racing in the past, then you know how exciting it is and how much fun we will have. Watching these guys run handlebar to handlebar thru the turns and do 130 mph down the front straight on a dirt track is just awesome.

Here is the deal folks. We will depart St. Charles Harley Davidson at 9am Sunday morning May 30th. We should arrive at the track at the Illinois State Fairgrounds by noon. We will have a chance to watch practice laps, followed by heat races to determine starting position in the 25 lap main event. The event should be over by 4pm and we will make our way back to St. Charles.

We have 50 seats blocked in the best 2 sections of the Grandstand affording a great view of the entire track. If you want to attend, then you need to call **Mary Ann** at **1-888-468-1622** or **1-217-753-8866** for your tickets. Cost is \$25.00 per ticket plus \$1.50 handling fee per ticket. Tickets will be mailed to you. The cut off date for this block is January 31, 2010. You can still purchase tickets after the cut off date, however, you may not get one of the great seats we have blocked. When you order your tickets, be sure to tell her your wanting your seat or seats from the St. Charles Missouri H.O.G. Chapter block.

If you choose to stay in Springfield Sunday evening, Mary Ann can make those arrangements for you as well.

If you have any questions I haven't answered for you here, catch me at the Chapter meeting or call me at 314-620-0399.
